

## Begin with the End in Mind!

With only about 45 days of Primary School left and you are finishing a stage of your life, it can be very helpful to stop and reflect on HOW HAVE YOU GROWN AS A PERSON through 2013.

Here are some questions to help you reflect how you have grown as a person based on MJR.

1. Am I more Welcoming at school and home? (if so HOW?)
2. Am I more encouraging at home and to my friends?
3. Am I more grateful for the opportunities that my parents have helped me with?
4. In friendships at school am I more of a taker than a Giver?
5. Do I recognise more the Spirit of Jesus reflected through people in my life (God Moments)
6. Have I realised yet that life is not all about me?
7. Am I better at Greeting, Treating and Speaking to others better this year?
8. On occasions do I stop and reflect a little bit more on my day than I used to?
