

# Looking in the Mirror

*Recently I visited St James School in Musswellbrook in the Hunter River Valley, NSW. and while I was waiting to speak to the RE, I noticed these little Grade Two children jumping up to try and see themselves in a mirror. I was really impressed with what I saw because it is very much part of the Resurrection story.*

**Jesus lives through others and us each day.**

*Hopefully our students and teachers can ask themselves the question on our MJR stickers:*

**DID I SEE THE GOODNESS IN MYSELF AND OTHERS TODAY?**
