

Necktop Computer

Illustration by Nick, Grade Six at Sacred Heart College, Hobart

We are all in charge of our **NECKTOP COMPUTER**. If we programme our thoughts towards the negative when dealing with people and life then our outcomes will tend to be negative. If we programme some positive thoughts then our outcomes should be positive.

Class Discussion: What are some positive thoughts that you could place around the **NECKTOP COMPUTER** pictured above.

Below list the negative thoughts that we should try and avoid.

Negative thoughts to avoid: _____
